

[How To Crack Sap License Key](#)

The screenshot shows the SAP license management interface. The 'Edit' menu is open, with 'Delete License' (Shift+F2) highlighted. A red arrow labeled '2' points to the 'Delete License' option. Below the menu, the 'Current Settings' section displays:

- Active Hardware Key: W0119749132
- Installation Number: DEMOSYSTEM
- License Expires On: 15.10.2015
- System Number: 000000000312681301

The 'Digitally-Signed Licenses' tab is active, showing a message: "NetWeaver_ADA A valid license key for this software product is required to operate this system." Below this is a table titled 'Installed Licenses in the Database':

St...	SID	Hardware Key	SW Product	Limit	Valid From	Valid To	Type	Inst. No.	System No.	Note on Vali
✓	NSP	W01197491...	NetWeaver_ADA	2147483647	12.06.2016	11.09.2016	Perm	DEMOSYST...	000000000312681301	Expired

A red circle and arrow labeled '1' point to the first row of the table.
